Personal Details Change Access Code Daily Limits

For added security, you need to enter a SMS Authentication Code prior to your Personal Details being displayed. You will be sent a SMS Authentication Code to the mobile phone number we hold on your account. If you do not receive the SMS or do not have a mobile number for your account, please call us to obtain your security code.

Press "View Details" to generate your Authentication Code or "Return" to go back to the previous screen.

View Details > Return >

2 Select the **'Daily Limits'** tab.

Personal Details | Change Access Code | Daily Limits

Limit Type	Current Limit	Limit Value
Third Party Payments	\$2,000.00	\$2,000.00

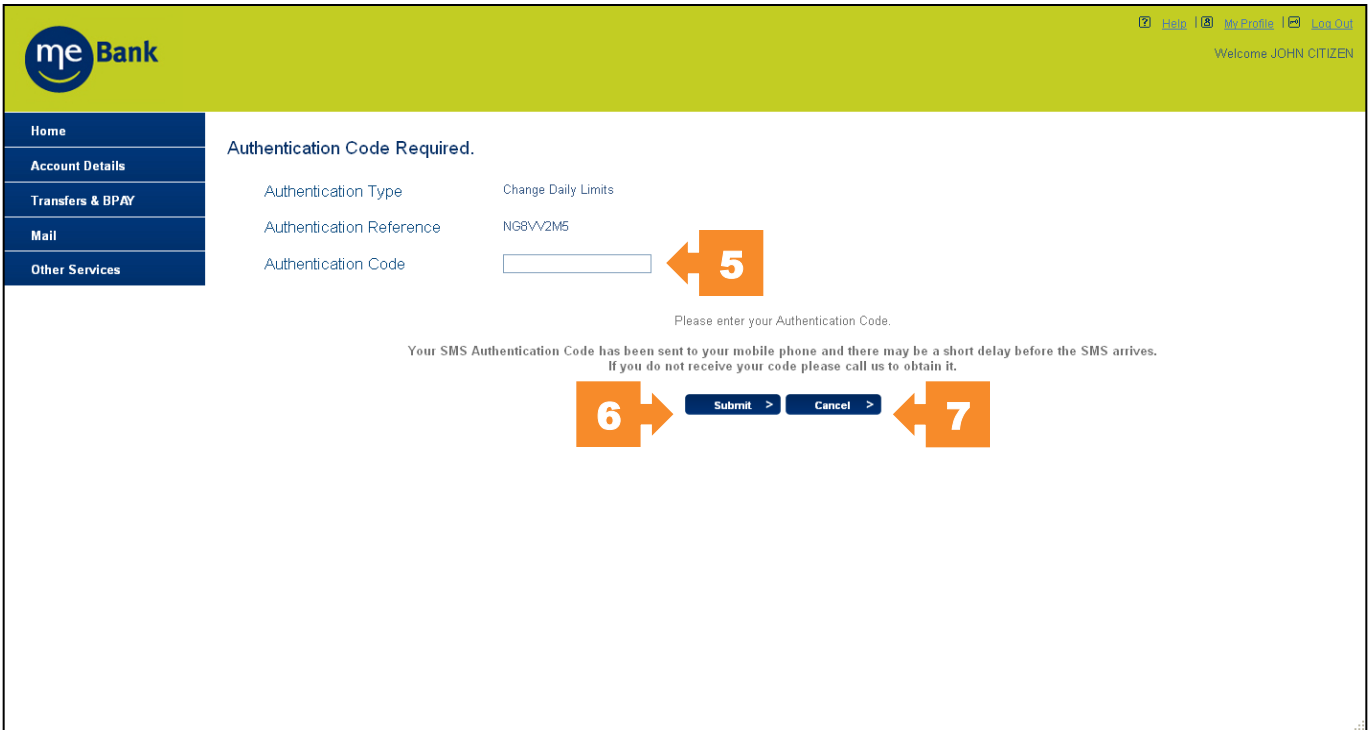

You can update your Daily Third Party Payment limit between \$0.00 and \$10,000. For added security, you will need to enter an Authentication Code. You will be sent an Authentication Code to the mobile phone number we hold on our system. If we do not have a mobile phone number for you, please call us on 1300 654 998 for your Authentication Code.

Press "Save" to update your limit details or "Cancel" to leave your limits unchanged.

Save > Cancel >

3 In the '**Limit Value**' field, enter the new limit you wish to set. (N.B. The amount cannot exceed \$10,000.)

4 Click '**Save**'. Once you press '**Save**' an **Authentication Code** will be sent by SMS to your mobile phone if you are increasing your daily third party limit. Alternatively, please call **1300 654 998** to obtain the **Authentication Code** if you do not have a mobile phone or if you have not provided us with your current mobile phone number.

5 Enter the **Authentication Code**.

6 Click **'Submit'**, or

7 **'Cancel'** if you do not wish to proceed.
